- Support Purchasing CIP process and target attainment via identification of opportunities and implementation of plans.
- Act as buyer for specific categories (e.g, engineering stores spares re-ordering).
- Update purchasing information on JDE system in a timely fashion and liaise with Master Data.
- Undertake purchasing projects and negotiations as directed by Purchasing Manager.
- Develop strong relationships with both internal and external stakeholders.
- Identify and implement improvements to JDE purchasing process.
- Develop knowledge and skills to enable Purchasing Manager role to be covered as required.
- Maintain written procedures for Purchasing department.

Your profile::

- **Personality:** Teamwork, Flexibility, Motivation to “make a positive difference”, enthusiastic to develop your career
- **Working method:** Independent, team-orientated and structured work
- **Experiences and know-how:** Extensive experience in a Purchasing background (preferably Manufacturing based), with excellent computer and analytical skills. Supplier Relationship Management and negotiation skills also a must.
- **Qualification:** Preferably MCIPS qualified, whether full or part (with view to attain fully qualified status)
- **Languages:** English though other languages may be of use.
- **Educational background:** Preferably degree educated in a suitable subject.

About us:

The WEPA Group is a family business operating throughout Europe and offers sustainable and innovative hygiene solutions that contribute to the well-being of millions of consumers all over Europe every day. With 3,800 employees, we produce hygiene paper products such as toilet paper, towel paper, handkerchiefs and napkins at 13 production sites in Europe.

A sustainable personnel policy has played a central role in this for more than 70 years.

We consistently invest in the qualification of our employees, point out individual career and development opportunities and promote them. We do this because we are convinced of one thing:

Our employees are and will remain our most important success factor.

Apply now and create your future with us!
